

# Supplies Redistribution Service

---

*SRS centralizes and reallocates office consumables for transfer between state agencies and sale to the public*

- ◇ Promotes sustainable materials management, using resources more productively over time
- ◇ Leads to thousands of dollars in cost-avoidance of government spending on office supplies
- ◇ Keeps viable materials out of the landfill, contributing to state waste reduction efforts

## State Agencies

Complete a "REQUEST Reuse Supplies" form, found on the Administrative Services **Sunspot webpage** entitled "Waste Stream/R4". A form for State Agencies to SUBMIT surplus supplies can be found at the same location.

## Non-State Entities

*An appointment to view/purchase items should be made in advance.* Contact State Surplus (a.k.a. White Farm) at [surplus@nh.gov](mailto:surplus@nh.gov). White Farm is located at 144 Clinton Street in Concord, NH. All sales are final. No returns, exchanges, or refunds.
